## Career Objective

As a passionate Frontend Developer, I specialize in creating dynamic and user-friendly web experiences. With a strong foundation in HTML, CSS, JavaScript, and UI/UX principles, I am driven to craft clean, responsive, and innovative solutions. I continuously work to stay ahead of web development trends while optimizing websites for performance and speed.

---

## Education

### B. Tech in Computer Science

R.D Engineering College, Ghaziabad, Uttar Pradesh, India (Present)

- 1st Year: 76.66%
